New accreditation for Lennox Paton BVI Managing Partner

Lennox Paton is delighted to announce that Scott Cruickshank, the Managing Partner and Head of Litigation of the British Virgin Islands office, has been bestowed as a Fellow of INSOL International.

Scott is the first and only BVI practitioner to have successfully completed the INSOL Global Insolvency Practice Course.

The Global Insolvency Practice Course is the pre-eminent advanced educational qualification focusing on international insolvency. The qualification is recognised worldwide as being the benchmark for lawyers and other professionals practising in cross-border reorganisations and insolvencies.

Scott was appraised as having “Great knowledge and understanding of the subject. Pragmatic insight and methodical approach”

With the fast growing number of cross-border insolvency cases and the adoption in many jurisdictions of international insolvency rules and provisions, the turnaround and insolvency profession faces increasing challenges in the current economic environment. The current outlook demonstrates that the practitioners of tomorrow need to have extensive knowledge of the transnational and international aspects of legal and financial problems of businesses in distress. The Global Insolvency Practice Course provides this knowledge.
